- IV. Points and Awards

### I. GENERAL

- A. SVAC (Simi Valley Awards Circuit) follows ETI (Equestrian Trails, Inc.), USEF (United States Equestrian Federation) and AQHA guidelines. In the event of a rule conflict, SVAC rules prevail.
- B. All California drug laws apply.
- C. The decision of the judge is final. Exhibitors are prohibited from approaching the judge in the event of a protest. All protests must be made in writing and accompanied by \$50.00 to the horse show committee within 24 hours of event. To lodge a complaint, exhibitor must send a concise report of the offense via e-mail to: Terry Simon [horseladyusa1@yahoo.com]. Exhibitor must provide proof of horse/exhibitor eligibility in the event of a protest. If an exhibitor is disqualified as a result of the protest, his or her points for the disputed class/event will be withdrawn. Points will be adjusted accordingly.
- D. A "Liability Waiver and Release" form **must** be signed at each event by every exhibitor and person handling horses. (This includes trainers, grooms, volunteers, etc.) A parent or legal guardian/representative must sign the waiver and release for exhibitors under 18 years of age.
- E. If any person is unable to handle a horse safely and responsibly, they will be excused from the show grounds for safety's sake. If any person is unable to control a horse in a class, arena or other area which creates a dangerous condition for self or others, the person will be asked to leave the arena or area. This authority vests with any officer of E.T.I. Corral 118, i.e., president, vice-president, secretary, etc.
- F. In the interest of safety, NO child, except an EXHIBITOR, may be inside any arena at any time. NO EXCEPTIONS! Children must be accompanied by an adult at all times on the show grounds. Children may not play within six (6) feet of any arena rail, including the bleachers. Show management has the authority to enforce any and all safety rules. Failure to follow these safety rules may result in expulsion from the event and show grounds.

- G. ASTM/SEI safety-approved helmets must be worn by English exhibitors under the age of 18. Western riders under the age of 18 are strongly encouraged to wear riding helmets at all times when mounted, i.e., on the grounds or warm-up arenas.
- H. All dogs must be on a leash and may not be within two feet of the arenas' rails for safety's sake. Dogs barking or causing a commotion close to the arenas will be requested to be moved away from the arena rails and office area.
- I. No alcoholic beverages are permitted on the show grounds.
- J. No vehicles except trucks attached to trailers may park in the trailer parking area. There is a 15-minute maximum "drop off" period allowed for vehicles to park in the trailer area to facilitate exhibitors dropping off personal items and tack. Vehicles not attached to trailers must park in the small lot or over-flow parking area.

- F. SVAC reserves the right to combine classes with fewer than three entries. Classes may be canceled at SVAC's discretion for lack of exhibitors. SVAC reserves the right to hold classes out of numerical order during the course of the show, i.e., classes canceled or combined will change the order. It is the exhibitor's responsibility to know when and where the classes are run.
- G. If there is only one exhibitor in the class, whether the class is combined with another class or the class is run with one exhibitor, the solo exhibitor will receive 5 points, a ribbon and prize. The points, ribbon and prize will not be awarded for schooling. If the exhibitor chooses not to show in the class, a refund will be issued at the post entry scratch rate.

H. Schooling is permitted as long as the horse and rider are eligible for the class entered. Entrants must wear proper attire, wear exhibitor number upside down and ride non-disruptively. Humane equipment only may be used. Points are not awarded for schooling.

I. Horse must show under the same name all year.

J. You must notify the show office of a tack change at least one class prior to the needed change. Tack changes should occur close to the "in-gate" without causing disruption or blocking the gate.

K. In the event of a "Double Judged" show, the entry fee will be doubled. The exhibitor will only show once but will receive a set of points from each judge (2 sets of points). The double judge show will count as 2 of the required shows for the season.

### **III. HORSE AND EXHIBITOR**

A. In the event of death or loss of use of the horse for the remainder of the show year, exhibitor must present reasonable proof to the horse show committee in order to be allowed to substitute another horse for the show year. In the event the original horse may be shown at the next SVAC horse show, it may replace the substituted horse. This may only occur once, i.e., no switching horses back and forth. Only one substitution per exhibitor - no exceptions.

B. Stallion handlers/riders must be 18 years or older.

C. Mules and ponies may enter all "horse" classes with the same general restrictions to be applied.

D. Exhibitor's age as of January 1st of current year is the current year show age. Horse's age as of January 1st of current year is the current year show age.

E. "ATS" and "ATR." An "amateur rider" is an exhibitor, unlike a "professional," who does not accept payment for any of the following: riding, training, showing in halter, schooling, conducting clinics, seminars or instruction. SVAC endorses USEF and ETI rules regarding amateur riders.

F. "19 & Over ATR/ATS" (amateur to ride) are riders 19 years or older who do not receive payment as outlined in Rule E.

G. "Lead Line" is open to children 9 years of age and younger who exhibit in either or both English and Western. Riders may not have shown in any performance class other than Lead Line prior to December 1st of the previous year. Lead shanks must be attached to a halter under the bridle. Lead Line Equitation will be held after the last halter class – see premium.

H. "Showmanship" is judged on the handler.

I. "Halter Color" is open to color breeds and is to be judged 70% Color and 30% Conformation

J. Trail classes are held simultaneously with rail classes after Halter and Showmanship. Exhibitors are to complete their trail classes in a timely fashion to facilitate computation of day-end awards. Lead Line trail

riders are allowed to go ahead of those in line for trail classes. No refunds will be given for missed trail or warm-up trail classes. Trail classes will run as follows. Ranch Trail 8am-10am, Western 10am -2pm, English 2pm-4pm. These times are approximate and may fluctuate depending on attendance.

K. "Warm up Trail" class allows the exhibitor ONE pattern to practice prior to showing in any trail class. The class is not judged.

L. Western "walk/jog" (W/T), English "walk/trot" (W/T) and Trail "walk/trot" (W/T) classes are open to any exhibitor who does not show in the lope or canter in any discipline within the ETI Show Circuit. Exhibitors showing in any flat Walk-Trot class (including Trail) may only show in Walk-Trot classes, Halter, Showmanship in Hand and Country Pleasure (Walk-Trot exhibitors may not lope/canter in the Country Pleasure classes). Rider as well as the rider/horse combination must maintain the same "walk/jog" or "walk/trot" status all year in that specific W/T division.

M. "Warm up Pleasure" class allows the exhibitor to warm up in the show arena without being judged.

#### IV. POINTS AND AWARDS

A. All "Day-End" points are calculated on a one-horse/one-rider combination. Exhibitor need **not** be a member of Corral 118 to qualify for Day-End awards. Exhibitor must show in the classes listed as noted on the premium. Day-End points are calculated on placing in class as follows: 1st place=5 points; 2nd place=4 points; 3rd place=3 points; 4th place=2 points; 5th place=1 point. Should any class have only 1 rider, then rider must show and will receive a maximum of 3 points. Ties for championship will be broken by number of 1st, 2nd and/or 3rd place ribbons. Further ties will be broken by a coin toss. Winner of the coin toss chooses either the Championship ribbon OR the Day-End award. The other tie winner receives the ribbon or the award not chosen by the coin toss. Reserve champion goes to the exhibitor who has the second highest number of Day-End points. Exhibitors not placing in a SVAC class will receive 1/2 point for participating in the class for Day-End awards. W/T showmanship E/W – if a horse/rider combination competing in both divisions, rider will receive equal points for both English and Western if paid for both classes.

B. All "SVAC Year-End" points are calculated on a one-horse/one-rider combination. Exhibitor must be a current member of Corral 118. Points are based on placement. Example, in a class of 5 or more exhibitors, placing 1st, 2nd, 3rd, 4<sup>th</sup> or 5th would equate to points 5, 4, 3, 2, 1, respectively. In a class of 3 entrants, placing 1st, 2nd and 3rd, the points would be 5, 4 and 3 respectively. Should any class have only one rider, then rider must show and will receive a maximum of 3 points. Exhibitors not placing in a SVAC class will receive 1/2 point for participating in the class for Year-End awards. W/T showmanship E/W – if a horse/rider combination competing in both divisions, rider will receive equal points for both English and Western if paid for both classes.

C. To qualify for "SVAC Year-End" **division** awards, the exhibitor (one-horse/one-rider combination) must compete in 4 of the 5 shows for that season and must compete in the minimum classes as listed on the premium. SVAC Year-End awards are given to all age breaks and open divisions. Highest number of accumulated division points wins. Placements to third.

D. To qualify for "SVAC Year-End" **class** awards, the exhibitor (one-horse/one-rider combination) must compete in the same class in 4 of the 5 shows for that season. W/T showmanship E/W – if a horse/rider

combination competing in both divisions, rider will receive equal points for both English and Western if paid for both classes. Highest number of accumulated class points wins. Placements to third.

E. "SVAC Year-End High Point" **Superhorse** award. Points are calculated on a one-horse/one-rider combination. Exhibitor must be a current member of Corral 118. This top award will be presented to the one horse/rider who has earned the most points in a SVAC show season. The show season consist of five shows beginning in April and ending in October. To qualify for "SVAC Year-End High Point" award, the exhibitor must compete in the same class in 4 of the 5 shows for that season. All classes are eligible with the exception of the Vintage classes. All eligible classes must meet the 4 of the 5 requirement. Points are calculated on placing in class as follows: 1st place=5 points; 2nd place=4 points; 3rd place=3 points; 4th place=2 points; 5th place=1 point. Should any class have only 1 rider, then rider must show and will receive a maximum of 3 points. Exhibitors not placing in a SVAC class will receive 1/2 point for participating in the class. Highest number of accumulated class points during the show season wins the SVAC Year-End High Point award.

F. Only Corral 118 members and associate members may compete and be awarded SVAC Year-End High Point Award, SVAC Year-End division and individual class awards. Points accrue from the membership date. Points are retroactive one month prior to membership if an exhibitor joins by the second show of any given show season.

G. Ties for Year-End awards will be handled as follows: the horse/exhibitor with the most 1st place awards will move ahead in the standings (then calculated by the most seconds, thirds, etc.) until the tie is broken.

H. Each exhibitor is responsible for keeping track of their points. Any questions or discrepancy must be addressed to the "Points keeper" and made within 30 days of the show date where the discrepancy appeared or the date of point's publication. Points are posted on the Corral 118 web site shortly after the conclusion of each show. The web site is: [www.eti118.org](http://www.eti118.org). After 30 days following publication, the points will stand as published.
